 This matter comes before the Public Service Commission of South Carolina (the Commission) on the January 2, 1996 Petition for Rehearing or Reconsideration filed by South Carolina Pipeline Corporation (Pipeline or the Company) of Commission Order No. 95-1717 in this docket. Pipeline alleges numerous points on which it says its substantial rights have been prejudiced. We have examined all of the points proposed by Pipeline in its Petition. We find that we have examined each point in detail in Order No. 95-1717. We see no reason to change our minds with regards to the reasoning in that Order. The Commission holds that its conclusions in Order No. 95-1717 were fully based in logic, law and the facts. Therefore based on the reasoning as elucidated in Order No. 95-1717, we believe that the Petition for Rehearing or Reconsideration filed by Pipeline must be denied.

IT IS THEREFORE ORDERED THAT:

1. The Petition for Rehearing or Reconsideration of Order No. 95-1717 filed by South Carolina Pipeline Corporation is hereby denied.

2. This Order shall remain in full force and effect until further order of the Commission.
